Recycle - It's All Rubbish Without You!

Speakers: Tim Pashen
Head of Environmental Services SHBC
&
Dr Verity Parker

The presentation will introduce the waste hierarchy principles of Reduce, Re-use, Recycle and Disposal and then go through, step by step the chain of events from the doorstep collection of recyclable material to the sorting at the Material Recycling Facility (MRF). Finally, examples will be given of the types of products that are made from recycled materials.

Come to hear interesting and informative speakers, to meet local councillors, to join in an open forum and to socialise with friends and neighbours.
