

The poster has a warm, golden-brown background with a radial sunburst pattern. At the top, a string of red and white triangular bunting hangs across the width. Red and white confetti and streamers are scattered throughout. The main title is enclosed in a large, white, shield-shaped sign with a red border of glowing lights. Below this, the event details are in a smaller white rectangular sign, also with a red light border. The bottom text is centered at the bottom of the poster.

Frimley Green Carnival on Sunday 13th July 2025

Welcome to the 48th Frimley Green Carnival. Our carnival theme this year is "Celebrating our Emergency Services", and this year's procession will be judged by Surrey Heath Mayor Cllr. Louise Ashbery. Come along and support our carnival procession entries. A lot of time and effort goes into putting them together. A big part of the occasion is also the cheering and support that they receive along the route.

I would like to thank our sponsors, Radfield Home Care whose contribution helps to finance our carnival stalls, first prize in our Grand Raffle and Truglaze for the free entertainments we offer on Carnival day.

Thank you also to the local companies who have advertised in this programme, donated raffle prizes, the procession entrants, stallholders, those who are performing in the Arena and those who have given their assistance in support of the Carnival including those who have helped set up and run the event.

We are delighted that Grace Mouat will be opening the Arena timetable for us. Grace has a successful West End career, Original cast of SIX the Musical, Alternate Juliet in & Juliet, Izzy in Bake Off the Musical and Karen Smith (one of the Plastics) in Mean Girls as well as heralding from Frimley Green.

We distribute our surplus funds too local organisations, charities and clubs. Donated and distributed in response to suggestions we receive from local people over the course of the year. On page 11 you will see information about last year's donations made.

The carnival committee is always keen to welcome new members and helpers. If you would like to join us, or simply lend a hand when needed, please contact me.

Finally, I would like to say have a wonderful carnival day, fingers crossed for sunshine and see you there.

FRIMLEY GREEN CARNIVAL PROCESSION INFORMATION

Come along and support our carnival procession entries. A lot of time and effort goes into putting them together. A big part of the occasion is also the cheering and support that they receive along the route.

The Road Closure on Balmoral Drive comes into effect at 12.30pm, so assembly will be traffic free.

Judging the procession at 1.30pm will be by Surrey Heath Mayor, Cllr Louise Ashbery.

The procession will leave Balmoral Drive at 2pm, along Frimley Green Road, past The Green and ending on Wharf Road at 3pm.

Each procession entry will have two marshals that come into the crowd to collect donations with RED Carnival buckets. Please donate any change you have as this is put back into the local community by donations to local charities and good causes (See page 11).

A big thank you for all those taking part in the procession and above all, have fun and enjoy carnival day.

FRIMLEY GREEN OPEN GARDENS DAY: NEW GARDENS NEEDED

The Open Gardens Day on the second Sunday in June has proved to be a very popular event for the FG Carnival programme. Starting as a "one off" village event for the Millennium celebrations, it has continued annually by popular request raising over £43,000 over its 25 years. All distributed to local good causes with tickets sold each year ranging from 223 to 533, partly dependent on the weather on the day. To remain viable and keep the event fresh and interesting, we need an injection of new and varied gardens.

If you live between Wharfenden Way and Henley Drive (and the surrounding roads) and have a garden you would like to share with visitors for a few hours, please **do** get in touch with the organisers who will be happy to give you more details. It has always proved to be an enjoyable and social occasion, even on the few days when the sun has failed to shine.

We would like to thank Geraldine Huggon and Janice Ainsworth, sadly no longer with us, for making this annual event the success it is. After 25 years, Geraldine is stepping down but will be around on carnival day on our Plant stall. If you are interested in organizing this event or becoming one of our garden owners, please contact:
